Dear Monika,

On behalf of International Trade Education Programs, Inc. (ITEP) I want to thank Los Angeles Customs Brokers & Freight Forwarders Assoc. for your sponsorship of our 12<sup>th</sup> Annual Scholarship Dinner. Your generous contribution of \$1,000.00 will help support ITEP's mission and ongoing activities to introduce at-risk high school students to careers in international trade, transportation and logistics.

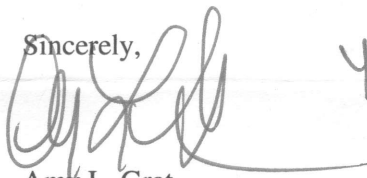

Through the establishment of industry-focused academies, ITEP helps to meet the expanding needs for a qualified workforce while providing exceptional opportunities to economically underserved high school students in our region. Your contribution assists in making it possible to continue supporting existing academies and establish new ones.

Some of the results your gift makes possible include:

- Motivated students with improved academic performance and increased attendance
- Internships, leadership training, and team building through mentoring
- Enabling teachers to make core subjects relevant to careers in global industries

As ITEP continues to prepare students for a meaningful place in the world of tomorrow, the support of sponsors such as you helps us to expand and enrich the services we provide.

Sincerely,

  
Amy L. Grat  
CEO
